Welcome

Hello Everyone

It's a great pleasure to have you here today at Sporting Khalsa FC.

This will be our 4th tournament that we've hosted at the club, and we are delighted with the turnout of new and seeing many teams return for successive seasons.

We are delighted at being able to use our state-of-the-art facilities, to support the community and teams daily and we use this tournament as a celebration of the magic of grassroots football.

Without a doubt we thank all the volunteers involved who have been working tirelessly hard, leading up to the exciting weekend and will continue to do so over these two days.

I am confident they will make it a great success and that you return sometime soon in whatever capacity, whether as a coach playing against our youth teams, a fan spectating at a senior game or gracing the turf as a player against one of our adult teams.

Whatever the outcome is at the end of the weekend, we hope you have a fantastic experience and one that you'll remember.

From all at Sporting Khalsa

Safeguarding & Scouts

We take safeguarding seriously at Sporting Khalsa, we endeavour to provide the safest and best environment for all players to develop.

The weekend will be extremely busy, and we expect a lot of players, parents and scouts to be around the ground on the day.

All Professional club scouts, have been sent to the club on the prior agreement with their Academy manager, all scouts have been instructed to wear full club uniform with their photographic ID.

If a scout speaks to you or your child without these items, please speak with your nearest steward or club official immediately.

If you see anything that you think may be a breach of safeguarding, please do not hesitate to also speak with a steward or club official on the day.

Tournament Details - Mini Soccer

For our mini soccer tournament U7s through to U10s we've capped the number of teams at 16, this is a reduction from 20 in 2021/22. we feel that reducing the number of teams and increasing game time will allow for better football across all age groups.

If its full age group will run 4 groups of 4 in a Round Robin format, at the end of the group stages, the top 2 teams will progress through to the Champions League Knock-Out, the bottom 2 teams will progress through to the Europa League, Knock-Out.

Lower capacity age groups will be adapted where required.

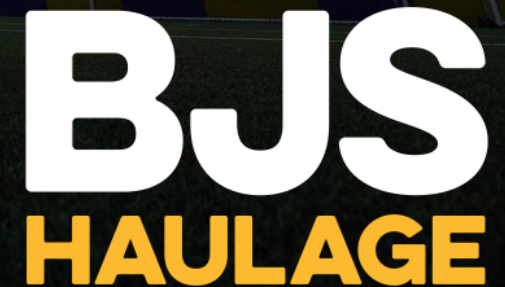

Tournament Details

– 9v9 Format

Our 9v9 format has been built around dual age groups of U11s/U12s and U13/U14s, our 9v9 format is a popular tournament and has been capped at 10 teams.

If full the teams will play a Round Robin group stage, at the end of the group stages (if full) the bottom team in each group will not progress. the top two teams in each group will progress to the Champions League Knock-Out and the 3rd and 4th place teams will progress to the Europa League Knock-Out.

Under Capacity age groups will be adapted where required.

Book your training pitch here

- Are you looking for a welcoming supportive facility for your team, if so, we can offer availability on one of our pitches for your team to train.
- Contact The back country performance hub via

Respect Code

We fully adhere to the respect codes of conduct at our tournament, we will not tolerate any breaches of the respect code and this year we will be trailing a penalty system for any verbal abuse of officials.

In the unlikely event that a Manager, Coach or Player verbally abuses an official they will receive either a yellow or red card depending on the severity of the incident. Players will be sin binned for a period of 5mins whilst, managers and coaches may be removed from the touchline.

For any yellow card offense a 1pt deduction will be levied against the team, for a Red card offence a 3pts deduction will be levied against the team.

Every step makes a difference

Craig Bowker's Offa's Dyke hiking challenge

Macmillan give people with cancer everything they've got. But they need our help to continue supporting the growing number of people diagnosed every year.

That's why I'm hiking the length of Offa's Dyke to raise vital money for Macmillan.

Scan the QR code to donate today!

In aid of

**MACMILLAN
CANCER SUPPORT**

Fundraising.

Our head of academy is currently aiming to raise £1000 for Macmillan cancer research by walking the length of the Welsh border during the summer half term. You will see several QR Codes and bucket around the club.

If you have any spare change or would like to donate to Macmillan through his just giving page, please do so if you can. Craig thanks you for your support in advance and will keep you up to date with his fundraising efforts over the summer.
